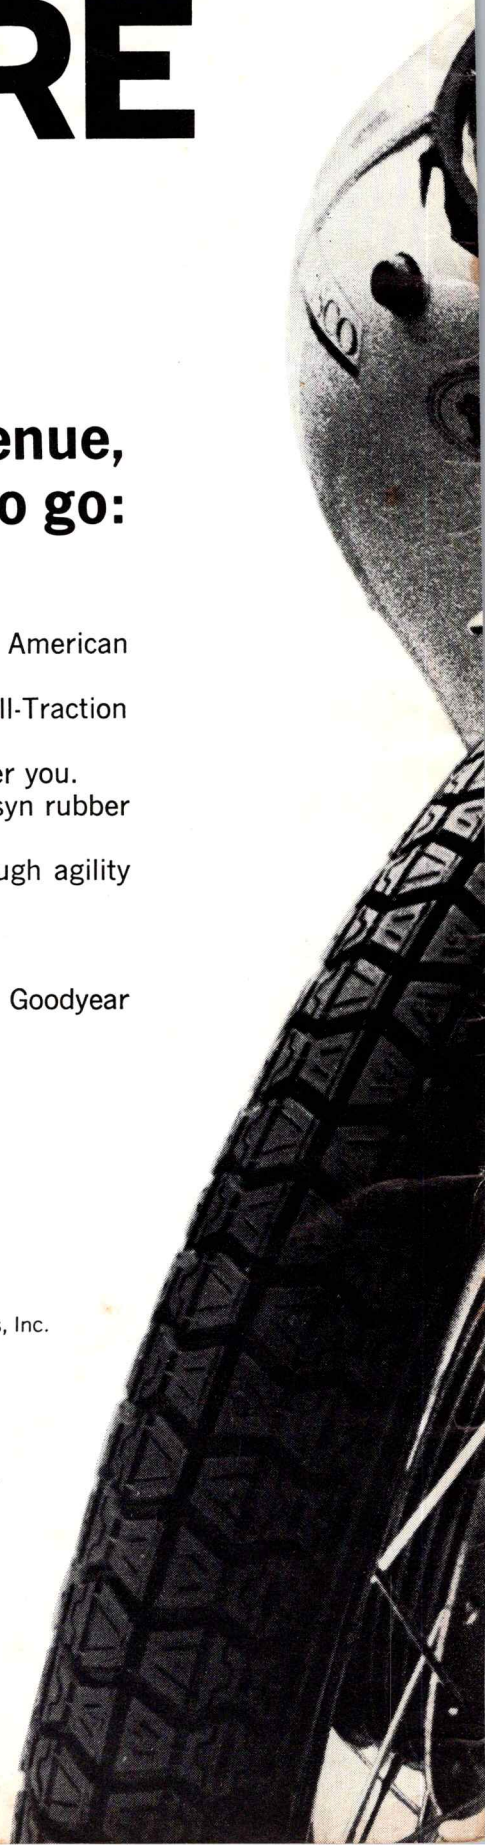
THE 50-STATE TIRE IS HERE



Built for a chilly drizzle on Third Avenue, or Route 66 in August with 300 miles to go: the new All-Traction tire by Goodyear.

This is the tire that Goodyear built to help the new breed of bikes cope with American distances, speeds and climate extremes.

Check the heavy tread blocks. Look closely at the tiny sipes. Reasons why All-Traction gives you sure stops plus nimble maneuverability in clogged traffic.

The slant of the grooves spins drizzle out of your tread, to dry the road under you.

The rubber is the toughest ever used in a Goodyear cycle tire . . . tough Tufsyn rubber in a real "grip" compound.

All-Traction has the muscle to take highway seams and potholes. And enough agility to make you feel sorry for all the people snarled in that tie-up, back there.

This is your tire. Not just because it fits your machine.

This is the first one built to fit your driving.

See your motorcycle dealer and ask him to contact one of the following Goodyear motorcycle tire distributors.

His and Hers

Absolutely millions are now riding motorcycles. Nothing new about that. But what did surprise us — is a brand new twist to our sport that's growing by leaps and bounds. You can guess if you ask yourself what's more fun than riding two to a Triumph? Ride *two* on two separate motorcycles. That's what we discovered — a His and Her trend in our Triumph sales. Seems women are no longer content to ride on the back. So — next time you want to impress the lady in your life — go ahead and give her her *own* Triumph. *To buy a Triumph, see a Triumph dealer.*

SPORTSMAN ROAD RACING

Right: Leader and eventual winner Bob Sandidge, Sr. (220), Houston, Texas, on a Yamaha is closely followed by second place finisher Alvaro Alvarado (219), Miami, Fla., on a Honda as they pass another rider during Class 2 action.

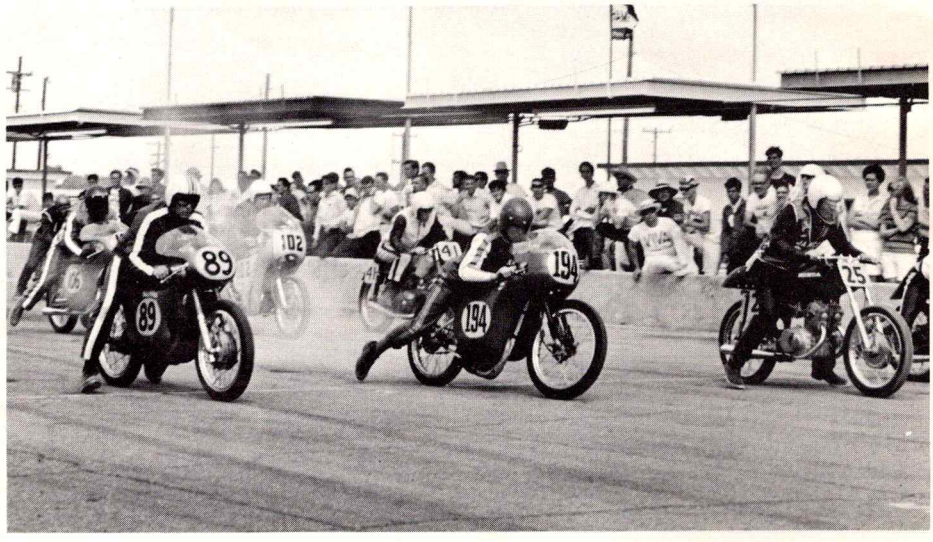
Right below: Class 4 winners were Larry Minor (59), Muncie, Ind., second on a Parilla and Harold Vogt (3), Steelton, Pa., first on a Bultaco.

Right Middle below: Joe Bradley (141), Dallas, Texas, aboard a Yamaha claimed the win for the small lightweights in Class 1. Jay Chaney (229), Sioux Falls, S.D. also on a Yamaha placed third.

Far right: Al Wilcox gives Sam Bertarel, Philadelphia, the yellow flag for his final circuit of the course. Bertarel was riding a Benelli.

Below: Class 3 riders crank it on when the white flag drops. Headed down the chute in the middle is eventual winner Jerry Hollingsworth (194), St. Augustine, Fla., riding a Harley-Davidson.

Small Bikes Post Top Speeds In All Classes



Making the most of their day the Sportsman riders buzzed around the course all morning, practicing, pulling into the pits for additional tuning and adjustments and then out for more practice.

With the noon break, however, time had run out, ready or not 230 riders divided into five classes faced the afternoon finals. Class five, the largest, was run in heats to determine those who would vie in the final later on in the afternoon.

Each class was lined up and flagged out on schedule and while there may have been a few mishaps and spills, they were not serious.

In the smallest class up to 100cc Joe Bradley, Dallas, Texas, on a Yamaha buzzed in the winner with a creditable average speed of 61.607 mph. Class two went to Bobby Sandidge Sr., Houston, Texas, on a Yamaha.

Jerry Hollingsworth, St. Augustine, Fla., piloted his Harley-Davidson over the course at 63.392 mph for the win in class three, while class four went to Bultaco rider Harold Vogt, Steelton, Pa. at 60.379 mph.

In the largest size of lightweights, class five (201 to 250cc) Sam Bertarel, Philadelphia, Pa., set an average speed of 87.968 mph with his Benelli for the win.

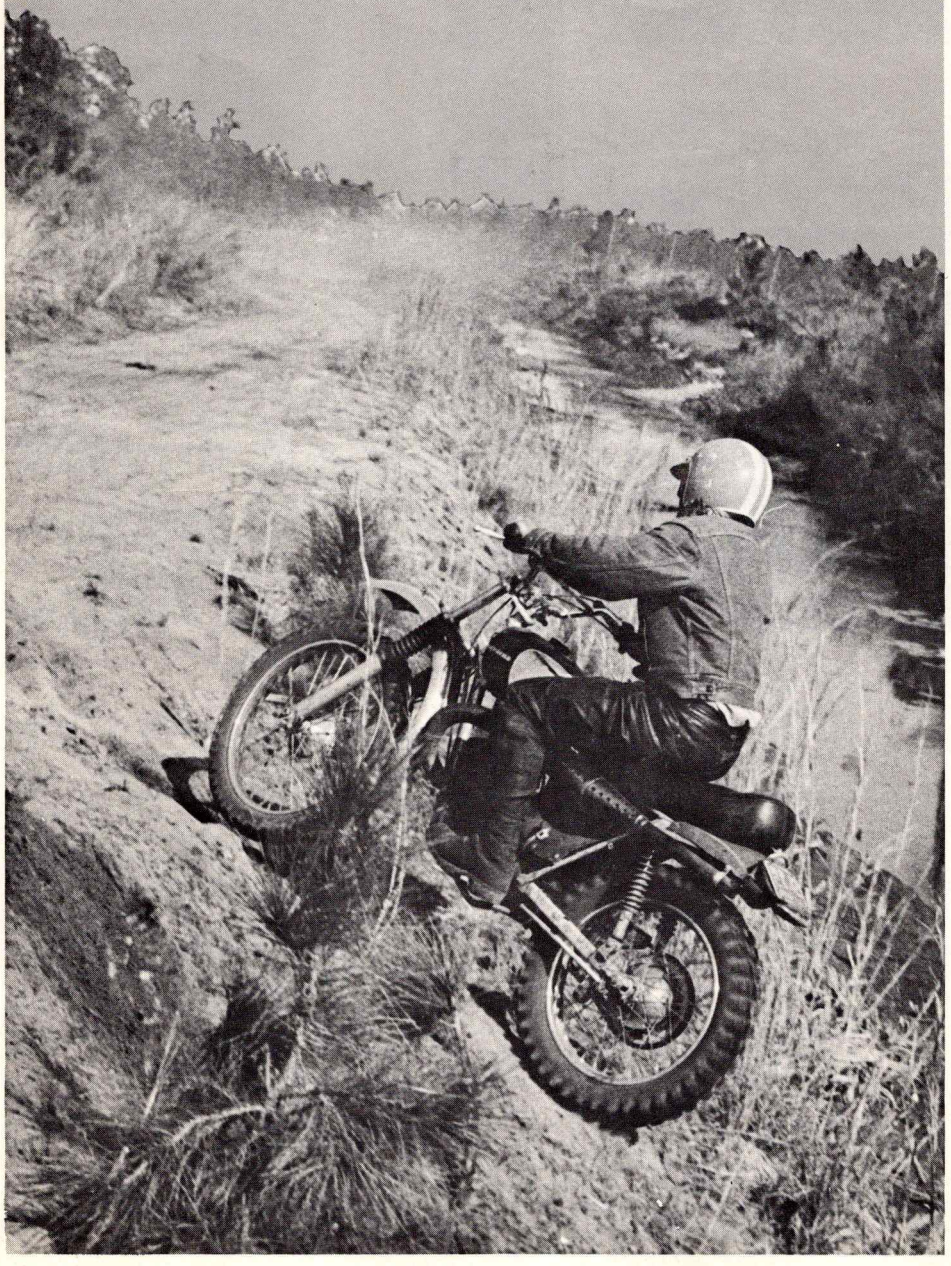
Penton Zeroes Alligator Enduro

Photos by Jerry West



SPORTSMAN COMPETITION

John Penton, Lorain, Ohio, riding a Husqvarna scored a perfect hit in the 50 mile Alligator enduro when he zeroed all checks and returned home with his full quota of 1000 points.

Bruce Walters and brother Bob performed their usual excellent task of laying out a tough course comprised of creeks, fallen logs, palmetto thickets, mud puddles, and briars.

Close behind Penton and tied for second over-all with 996 scores were: Bill Baird, Sterling, Ill., (Tri) first in light heavyweight; William Brandon, Terre Haute, Ind., (BSA) second light heavyweight; and Albert Yelverton, Newburgh, Ind., (GRE) first in mediumweight.

Lightweight winner was Donald Schmutzler, Decatur, Ill., (BUL) 982 and James McBride, Sterling, Ill., (TRI) 985 took the heavyweight class.

Novice winners were: Class 1, Larry Maiers, Hudson, Ohio, (HON) 989; Class 2, Don Burgess, Kenner, La., (GRE) 995; Class 3, Craig Gillies Tabot, Pittsburgh, Pa., (TRI) 995; Class 4, Joe Edwards, Mableton, Ga., (TRI) 965.

Each year this event has attracted more and more riders. This year 230 entries signed in for the ordeal against time and course.

Green Light Given To AMA Study Committee

American Motorcycle Association Executive Director, William T. Berry Jr., announced the Association's Executive Committee has given the go-ahead on further development of a Competition Congress idea after hearing a report from a five man study group on their recommendations to revise the present Competition Committee.

Berry stressed, "this study group was formed many months ago not with the specific intent to reorganize the Competition Committee, but rather, to find ways to gain maximum utility for the AMA organization as it now exists.

The purpose of the present Competition Committee is to adopt and provide for the enforcement of rules and regulations pertaining to AMA motorcycle competition and to establish national championship races. Each year 30 members are appointed to this committee by the secretary, upon the approval of the Trustees. Those who criticize this system point out that many of the members remain on the committee year after year with a resulting lack of fresh new ideas.

Proponents of the Competition Congress say it will be structured to give better representation to all factions of the AMA. Its purpose will be the same as the present Competition Committee, but will require the election of most members.

Chartered AMA clubs would gain representation to the Congress through the assignment of 25 to 35 districts across the United States. These districts would be established on the basis of the concentration of clubs in any given area and the number of sanctioned events held during the year. Clubs in each district would elect one representative to serve a two-year term of office and each could serve for no more than two consecutive terms. These districts would then be grouped into three regions - eastern, central and western. Six delegates, selected from a ballot of professional racers, would be elected to one year terms from these regions by all riders who hold current professional competition licenses.

The industry members of AMA in order to be represented in the Congress would have to be either distributors or manufacturers of two wheeled vehicles. These members would each select two representatives.

Two representatives from the AMA staff would attend; the Executive Director, who would serve as Chairman of the Congress, and the Director of Competition. It is estimated there would be approximately 65 members of this Congress.

Five standing committees would be appointed from the members of the Congress. The present Technical Committee would take on the new name of Safety and Engineering Committee. In addition, four committees would work in these specific areas: professional racing, sportsman competition, road riders competition, and national championships.

All members of the Congress and its Standing Committees would be required to pay their own expenses or have them paid by the various groups sending the delegates. The members of each Standing Committee would be expected to work on assignments all during the year and would be required to meet as a group when necessary. Congress would meet once a year.

The original time schedule had called for the Congress to meet for the first time in the fall of 1967. However, prior to the first meeting, elections must be held in each district and these elections can only be held at district sanction meetings conducted January through March of each year.

The present Competition Committee will meet as usual this November to set the AMA competition rules for 1968.

Study Committee members are: William Harley, Chairman; W. T. Berry, Jr., E. W. Colman, Robert B. Hicks and Frank Heacox. The Committee was appointed by Association President, William Kennedy.

Motorcycle And Scooter Industry Group Announces Committees For 1967-68

Operating committees for the Motorcycle, Scooter & Allied Trades Association's 1967-68 program were announced today by William E. Kennedy, President.

The MS&ATA, composed of approximately 40 companies engaged in various aspects of the motorcycle and scooter industry, has two major activities of Governmental Relations and Public Relations. The Association also maintains committees for Membership, Code of Regulations, Operation of American Motorcycling Magazine and a Sub-Committee on Safety.

Robert H. Remensperger of San Francisco, Calif. (Western Scooter Distributors) has been named Chairman of the Public Relations Committee. Serving on the PR Committee will be Michael F. Bondy, Vice Chairman, of New York (Butler & Smith, Inc.), T. A. Hodgdon of Nutley, New Jersey (BSA, Inc.), Andrew Rocco of New York (Lambretta Division of Innocenti Corporation), William J. Harley of Milwaukee, Wisc. (Harley-Davidson Motor Co.), and William T. Berry, Jr., ex officio member, Executive Director of the MS&ATA in Columbus, Ohio.

Walter C. Davidson of Milwaukee, Wisc. (Harley-Davidson Motor Co.) will again serve as Chairman of the Governmental Relations Committee. Accepting membership on the Governmental Relations Committee are Walter Fulton of Santa Fe Springs, Calif. (U.S. Suzuki Motor Corporation), and Lawrence E. Wise of Philadelphia, Pa. (Cosmopolitan Motors).

Serving on the Safety Sub-Committee will be Christopher Spexarth of Milwaukee (Harley-Davidson), Helmut M. Kern of New York (Butler & Smith), Rod Coates of Baltimore, Md. (Triumph Corporation), Jack Hoel of Los Angeles (Yamaha International Corporation), and Paul McCrillis, Director of Governmental Relations for the MS&ATA.

Andrew Rocco will head the Code of Regulations Committee, with William H. Davidson of Milwaukee (Harley-Davidson), Earl J. Miller of Baltimore (Triumph Corporation), and Frank Heacox of Long Beach, Calif. (Bell-Toptex, Inc.) as Committee members.

The Membership Committee will consist of Earl J. Miller, Chairman, plus William Bagnall of Sierra Madre, Calif. (Motorcyclist Magazine), and Lawrence E. Wise.

The Magazine Committee will consist of William T. Berry, Jr., as Chairman, with T. A. Hodgdon, John Eckler, legal counsel, and Dallas Bolon, Certified Public Accountant.

Officers and Executive Committee members were elected at the Annual Meeting in February. In addition to President William E. Kennedy (Rex Chainbelt, Inc.) the Association's slate of officers include Earl J. Miller, Vice President; T. A. Hodgdon, Secretary and William H. Davidson, Treasurer. Joining them on the Executive Committee are Andrew Rocco and James E. Jingu of Los Angeles (Yamaha International Corporation).

Gary Nixon A Double Winner

Sets New Records In 200 Mile And 250cc

Walt Fulton Takes Amateur Race-Ken Stephens Wins Novice Event

Gary Nixon, Baltimore, Md., in posting his first Daytona wins put unprecedented back to back victories together in the 250cc combined race and the 200 mile national championship.

Nixon aboard a Triumph streaked around the 3.81 mile Speedway road-track to outdistance a field of 90 other expert riders with a record breaking average of 98.227 mph. The only rider in the 53rd lap with Nixon when he took the checkered flag was Buddy Elmore, El Paso, Texas, who placed second 12 seconds off the pace on a Triumph.

The 200 mile started as if it were the continuation of the 250cc event held the previous day with Nixon and Dick Hammer, also Triumph, running wheel to wheel and swapping positions around the course.

Hammer led 24 of the first 25 laps with Nixon taking command in lap 26 when Hammer made a 14 second pit stop. In lap 29 Nixon made a quick 10 second pit stop and owned a slim seven seconds lead on Hammer in lap 30 when the Californian took a flying spill coming off the oval in the first turn. Hammer lost a minute and 36 seconds in remounting and was never able to make it up. He finished seventh.

Elmore moved into second when Hammer fell trailing Nixon by 20 seconds. The Texan trimmed this margin to seven seconds by lap 48, but Nixon poured on a little more steam and stretched his advantage to the 12 seconds he had at the finish.

George Roeder, Monroeville, Ohio, third and Mert Lawwill, San Francisco, fourth were both a full lap behind the winner.

Nixon indicated he had no special race plans except get out front and run fast all day.

This strategy paid off for the previous day Nixon and Hammer had started this wheel to wheel battle in the 250cc expert-amateur combined event.

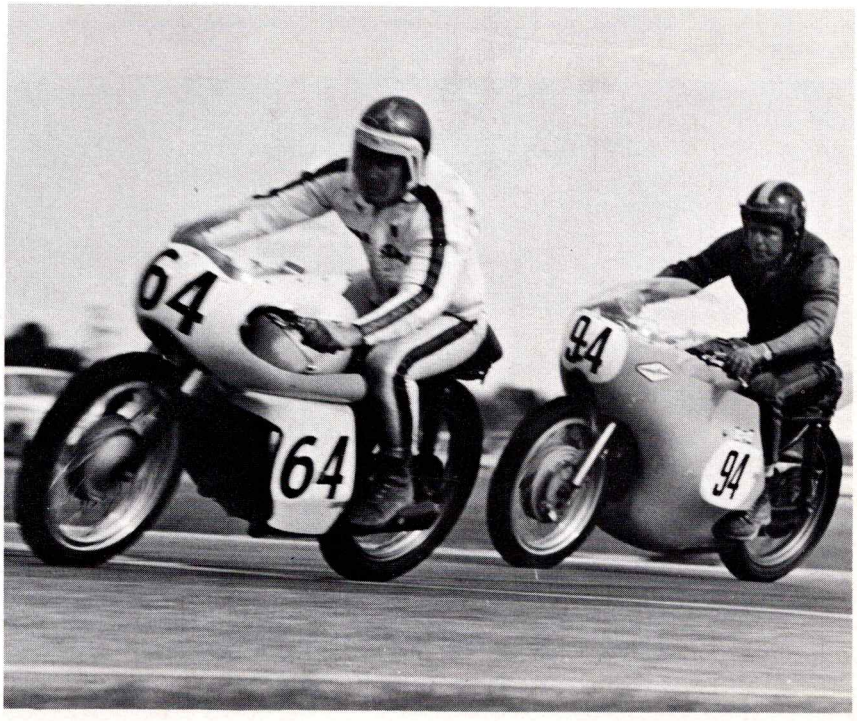
This also was a record breaker as Nixon rode his Yamaha to victory over the 3.81 mile road-track course averaging 94.090 mph in spite of clutch trouble from lap five on.

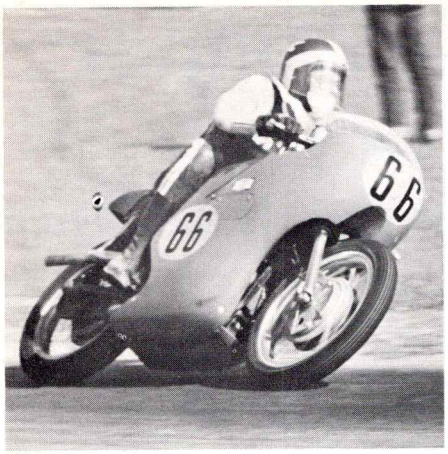
Hammer, who has won this event twice (1963-1964), turned in a remarkable performance, after experiencing crankshaft trouble during qualifying heats and had to have a rush repair job. He started in last place.

In the beginning Bob Winters, Ft. Smith, Ark. and Mike Duff, Toronto, Canada battled Nixon but by lap seven engine trouble forced Duff out.

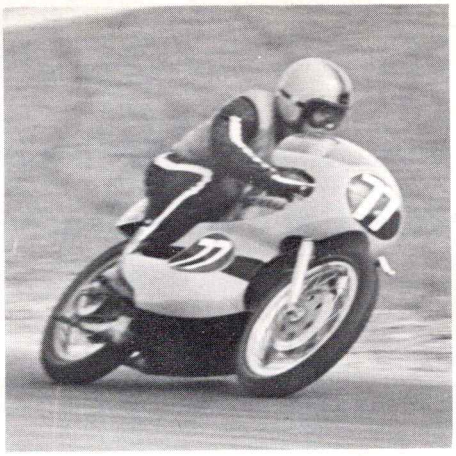
From the start Hammer moved his Suzuki up each lap and by lap nine was third trailing Nixon and Winters. By lap 18 he took over second just ten seconds behind. He cut Nixon's lead to three seconds in lap 20, lead in lap 21 but Nixon forged back into the lead on 22. They battled side by side the next few laps and in the 26th Hammer's rear break came loose and he trailed Nixon home in the final lap by 11 seconds.

The race was rough due to the penetrating raw March wind that blew steadily all day taking its toll of riders in both the 250cc and the novice race that preceded it. "At times it was scary," the riders related as gusts of wind would pick up the front wheel or push the bike sideways and at times it nearly knocked the riders down on the infield turns. By the



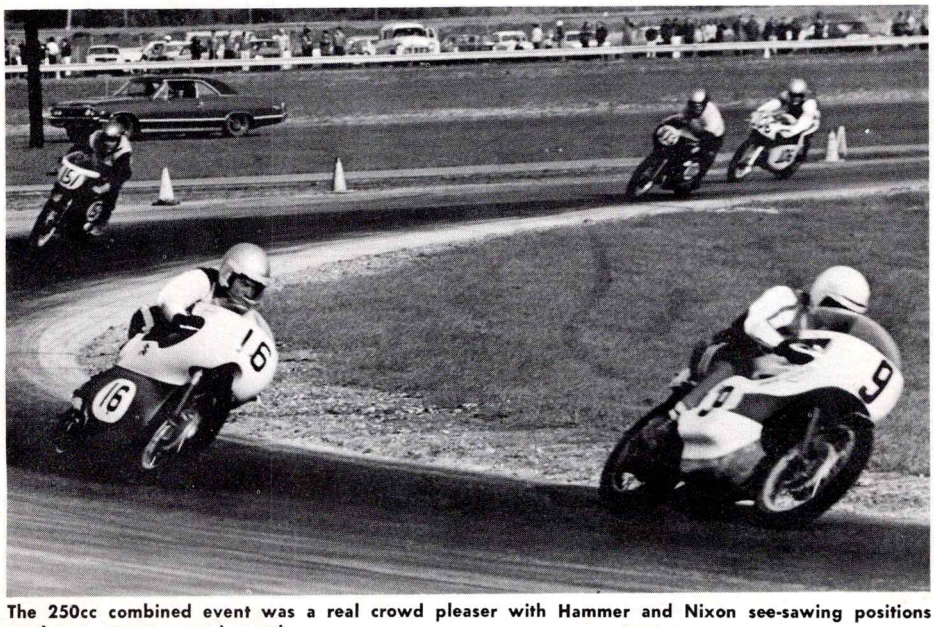


Walt Fulton, Jr., repeats his last year's novice race, by out running his competitors in the amateur race.



Kenny Stephens, after a slow start, pours on the coal finally moving into the lead and novice win.

Ah, sweet victory! Displaying their trophies and having a word with AMA President William Kennedy are Ken Stephens, novice winner, Gary Nixon, 200 mile champion, and Walt Fulton, Jr., amateur winner.



The 250cc combined event was a real crowd pleaser with Hammer and Nixon see-sawing positions at almost every turn and stretch.

time Nixon finished the race his hands were blue and numb and as he sat in Victory Lane his teeth chattered like castanets.

Prior to the 250cc the novice ran their 76 mile road race with Kenny Stephens of Sarasota, Fla., aboard a Yamaha scoring an eight second victory over Ron Muir, Carbondale, Ill., on a Suzuki. Leon Cromer, Springfield, Mass., on a Ducati was third by 29 seconds. The winner averaged 88.868 mph over the 3.81 mile course.

Stephens got off to a slow start but by lap 15 was going all out. The lead changed five times with Stephens taking over from Muir for good in lap 19. Two earlier challengers, Sam Bertarel, Philadelphia, on a Benelli was second and Terry Ernest, Silver Springs, Md., on a Yamaha was running third when they fell to the wayside in lap seven.

The amateur 100 mile road race was easily won by Walt Fulton, Jr. of Orange, Calif., on a Harley-Davidson. Fulton competing this year on the big bikes averaged a record 94.018 mph over the 3.81 mile road-track course. Second place Ron Widman, St. Louis, Mo., was running a minute and 28 seconds behind but third place Dick Woods, Topeka, Kansas, was only two scant bike lengths behind Widman. Both were Harley-Davidson mounted.

The position battle in this race was between Widman and Woods over second and third and a three way battle over fourth. Karl Beghtol, Bladensburg, Md., on a Triumph; George Cunha, Johnston, R.I., on a Triumph, and Mike Sponseller, Timonium, Md., on a BSA were the contenders and finished fourth, fifth and sixth, respectively.

In the beginning James Odom, Fremont, Calif., riding a Honda, gave Fulton a run for his money as they battled for the lead with Odom holding a ten yard margin going into lap eight. Entering the high banks out of the infield, Odom lost it and went head over heels out of the race.

Art Baumann of San Francisco on a BSA was now second but dropped out by the halfway mark leaving Widman in a far second.

Midway in the race Fulton took a tumble in the first turn. Unharmed he quickly remounted and due to his big lead was never threatened.

Fulton was no newcomer in Victory Lane as he had back to back victories in succeeding years having won the novice road race in 1966.

Charity Newsies 10 Mile National June 25

On the last weekend of June each year the Charity Newsies of Columbus, Ohio sponsor the 10 mile dirt track national championship. This event started 23 years ago and has been a national championship since its 10th anniversary.

Bart Markel, Flint, Mich., as the defending champion, has won the title three times in 1962, 1964 and 1966. Markel will make every effort to chalk up his fourth win to establish a record for the event. During the Newsies sponsorship there have been three riders win the event three times. In addition to Markel were Everett Brashear winning in 1953, 1955, 1956 and Carroll Resweber in 1957, 1960, and 1961.

Dick Klamfoth was the first Ohio rider to win the 10 mile title on the fairgrounds oval in 1958. He repeated this win in 1959.

In completing the list single year champions were Paul Goldsmith (1954) who has now become an outstanding car racer, Ronnie Rall (1963), and George Roeder (1965).

100 Mile Championship Road Race

The 100 mile national championship road race traditionally held at the Belknap Area near Laconia, N. H., was moved in 1965 to a new race plant, Bryer Motor Sport Park at Louden, N. H. This 1.6 mile track differs from the old course in that it is just about 100 percent visible to spectators.

Many, however, will remember the old course with nostalgia and recall the closely contested championship races. Listed in the roster of winners are such names as Babe Tancrede, June McCall, Joe Weatherly, Bill Miller, Dick Klamfoth, Ed Fisher, Joe Leonard, Brad Andres Dick Mann, and Jody Nicholas.

Ralph White won the 100 miler the first year on the new course. In 1966 Buddy Elmore won but the race was not classed a championship.

With the championship title again at stake a full contingent of road racers is expected to be on hand vying for prize money and points.

15 Mile National Moved

The 15 Mile National Championship originally scheduled for Heidelberg, Pennsylvania will now be run at Louisville, Kentucky, June 11th, 1967. It was necessary to re-schedule this race because the promoter at Heidelberg has paved his track.

Markel Wins Huber Memorial

Bart Markel, Flint, Mich., riding a Harley-Davidson, continued his winning ways by taking the 14th annual Billy Huber Memorial Classic. This seems to be a habit with Markel for he also won the event in 1964 and 1966 — the only rider to post three wins.

Darrel Dovel, Atlanta, Ga., (H-D) set the first lap pace with Gary Nixon, Baltimore, Md., (TRI) pacing on the second lap. Lap three Markel moved into a head to head battle with Nixon and slipped under Gary on the second turn to take over the lead. Nixon moved in close several times but failed to make a serious bid.

Larry Palmgren, Freehold, N.J. (TRI) managed to slip past Fred Nix and George Roeder for a solid third place.

Jim Compton, Newark, Ohio, set the pace on his BSA to take the checkered flag first in the amateur final followed by Vic Holmlund, Tom Lavell and Earl Myers.

The novice final was won by Dave Atherton, White Pigeon, Mich., on a Harley-Davidson.

Motor Maid News

by Leslie Pink

Welcome new members - Barbara Ann Bailey, Sinking Spring, Pa., Wanda Marsh, Deer Creek, Illinois, Betty C. Wolff, Braidwood, Illinois, Del Barr, Mohnton, Pa., Leona Marshall, Gardena, Cal., Jeanne Bower, Middletown, Pa., and Laura McDonald, Hempstead, New York.

The Southern California Motor Maids have been busy as bees. On February 24-25-26th they sponsored the fourth Annual Colorado River Run at Lake Mohave and Bullhead City. Riders from California, Nevada, Oregon and Arizona attended. Field events were held and the Motor Maids headed by State Director Isabel Hetrick were kept busy working over a hot barbecue serving the 500 attendants. On April 9th, Phyllis Clark of Riverside, Cal., was hostess for the monthly meeting. Girls attending were Isabel Hetrick, Sandy Whetnall, Peggy Rojeski, Ruth Fordyce, Ethel Smith, Lee Marshall, Pauline Bee, and Ivalene Tenney. Several prospective members attended - and all were fed very well by the hostess. A beautiful ride through the orange blossoms was held after the meeting. On April 14th, the girls treated the spectators at the Ascot race track to a uniformed parade. Those parading were Ivaline Tenney, Isabel Hetrick, Sandy Whetnall, Priscilla Hummer, Pauline Bee, Esther Smith, Carol Wingfield, Audrey Wingfield, Phyllis Clark, Betty McWhorter, Lee Marshall and Peggy Rojeski. Isabel Hetrick turned over her job as State Director to Ivaline Tenny for 1967. Isabel is having lots of fun entering the woods events along with husband, Skip.

After many years of being the only Motor Maid in Tulsa, Oklahoma, Irene Smith is just thrilled that there are now 5 of them and are making lots of plans for riding this year. A meeting was held at the home of Ashley Eby at which time the girls decided to call themselves the "Tulsa Chapter of Motor Maids, Inc." They are making plans to attend the Kansas State Rally in May.

The Motor Maids of Kansas had an Easter Egg Hunt hosted by Pauline Kelley of Hutchinson, Kansas, sponsored by State Director, Betty Deering. Girls attending were Carol Jackson, Carol Dowell, Leona Patrick, Maxine Butler, Dorine Hamilton, Betty Deering and Pauline Kelley. First place was won by Carol Dowell and second by Carol Jackson.

The Tri-State Travelett girls sure have had their trouble with snow this year. Their meeting of January 27th had to be postponed because hostess Myrna Learn was lost in the blizzard for a day. She left work at 3:00 p.m. on Thursday, January 26th - and three hours later she was only six blocks from where she started. Myrna finally arrived home on Saturday night - the night of the meeting. The meeting was re-scheduled for March 4th when elections were held. Myrna Learn was elected President, Ina Mae Fosse, Vice President, Velma Kolars Secretary and Points Keeper, Fran Norrick, Treasurer and Dot Fisette and Ethel Voy, Reporters. Their next meeting was held at Jeannie Griffin's home - and as luck would have it - they did not have any snow and Jeannie was prepared to give the girls a ride in her snowmobile. Someone is not saying her prayers right. Jeannie prepared some indoor games for the girls including a rigged bingo game in which no one could lose. Dot Fisette and family are busy building their new house and invite all to visit - but bring your hammer.

Charley Enfield had a nice visit from Motor Maid Dorine Hamilton down Virginia way. Dorine arrived just in time for a big dance at the D.C. Ramblers Club house. Charley is looking forward to another meet on August 26th and 27th at the D.C. Ramblers Clubhouse in Washington, D. C. All are invited. Bring sleeping bags and join the fun. Contact Charlotte Enfield, 3601 Rolling Hills Avenue, Alexandria, Virginia 22309 for details.

The Metropolitan Chapter girls from N.Y. and N.J. are saddened to report the death of one of our members, Betty Cargill of Vincentown, N.J. Betty passed away on February 8th. Emily Haslem invited the girls to her house for their April meeting. Attending were Toni Holmlund, Janet Nixon, Marva VanDyke, Joan Watson, Susanne Popp, Vicky Butz, Leslie Pink, Bunny Armstrong, Florence Weintz, Esther Tinklepaugh, Gloria Struck, Jackie Carroll, Anne Watson, and several guests. Plans were made for their annual road run to be held in June. Reservations were sent in for Charity Newsies and Convention.

Lois Schroeder of St. Louis, Missouri had her troubles this January when a tornado demolished a large portion of her new home. About 150 homes in Lois's immediate neighborhood were destroyed. Most of the St. Louis girls have spent the winter months bowling. We understand their uniform consists of red petty-pants. Well!!! Convention plans are in the making for several of these girls.

Gay Raymond has returned to Michigan after spending the winter in Florida. Minnie Snell all dressed up in a new 1967 Harley-Davidson 74. Shirley Moore and husband of Traverse City, Michigan, braved the cold and rode their machines to Daytona. Lucky duck, Carrie Penny and husband flew to Nassau in December. In February they drove down to Mexico and then scooted over to the races at Daytona. That is what you call - getting around.

Revised Convention Schedule: Latest word from Phyllis Kresge.

CLUB PHOTO CONTEST

This month's prize winning photo was submitted by the Allison Tiger's MC, Shell Rock, Iowa. It was taken by Donald W. Ward (AMA #52409) and shows club president Walter Pruin (AMA #52353) riding the woods trails.

Don't forget to keep sending in your photos. The bigger the prints are the better for judging. The photos must be clear and sharp when enlarged so that they can be reproduced in the magazine.

Entry Requisites

The photographer must be a member of AMA. The photos must be entered by an AMA chartered club in good standing. The club must presently subscribe or must take a minimum one year subscription to AMERICAN MOTORCYCLING.

Photo Requisites

All photos must depict some activity of AMA. They can be action photos, comedy scenes of some club activity, racing, outings and others showing individuals, or groups with motorcycles. Photos can be either black and white or color. The negative must accompany the photo. Negative will be returned when requested, otherwise they will be kept in the club file. Negatives of winning photos must remain with the AMA for the duration of the contest. We must have a signed release from each person in the photograph allowing American Motorcycling full rights to use the photo for publicity reasons. The photographer and a Club officer must also sign this release. Use the photo release in the mailed announcement for the first photo and make copies of the release form for subsequent entries. Clubs may enter as many photos as they wish during any one month and over the duration of the contest. Photos cannot have appeared in any previous publication or magazine.

Contest Duration

12 months contest starting in January with winners each month.

Awards To Winners

1st, 2nd and 3rd place winners will be selected each month by our judges. Each of the 12 monthly first place winners will be judged to determine the GRAND PRIZE WINNER. Twenty-five, fifteen, and five dollars cash awards will be made each month. The Grand Prize winner will receive fifty dollars. All awards will be made in the name of the winning club. All first place photos will be printed in AMERICAN MOTORCYCLING magazine. The Grand Prize winner will be used as the front cover for an early 1968 issue of the magazine. Photo credits will be given to both club and photographer.

Photo To Go On Display

All monthly first winners and the Grand winner will go on display in the NEW American Motorcycle Association Building in Worthington, Ohio.

The Grand Prize winning club will receive an enlarged and framed copy of their winning photo.

PHOTOGRAPH RELEASE

We release this photograph to the American Motorcycling Magazine and to the American Motorcycle Association for the purpose of entering it in a Photo Contest and we further release this photograph to them to be used for publicity and to be printed in American Motorcycling Magazine and other publications.

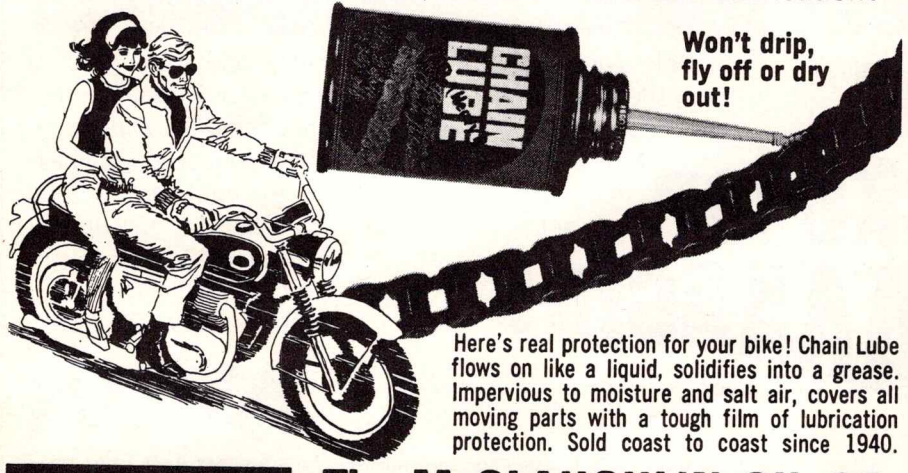
Chain Lube... for dependable chain lubrication!



Won't drip, fly off or dry out!

Here's real protection for your bike! Chain Lube flows on like a liquid, solidifies into a grease. Impervious to moisture and salt air, covers all moving parts with a tough film of lubrication protection. Sold coast to coast since 1940.

SPEED — HOW TO OBTAIN IT
New Edition — Includes Two-strokes

This is the book for everyone who wants top performance from his machine. While it deals with motorcycles, much of the contents of this book will apply to speed tuning any gasoline engine.

The 192 pages with dozens of charts, formulae, and cut-away drawings deals fully with theory and practice of high-speed engine tuning.

Among the topics covered in a comprehensive and non-technical manner are: fuels and carburetion; intake and exhaust systems; combustion chambers; valves and timing; plugs, compression ratios and cooling; oils and lubrication systems; balancing; power output; mechanical losses; materials; thermodynamics and technical trends.

Other subjects include: frames, forks and rear suspensions; wheels, brakes, tires and gear ratios. There are chapters on preparing for a race and tips on riding in competition.

Basic two-stroke principles are explained along with practical modifications and tuning two-strokes for racing.....**Postpaid $2.00**

MODERN MOTORCYCLE MECHANICS

This new, **completely revised, fifth edition** has chapters on Design, Operation, Maintenance, Trouble Tracing, Machine Shop Methods and Tuning that are applicable to all makes. While separate chapters deal specifically with most makes that are in general use in the U.S. — including the popular two-strokes.

For each of these models there are separate easy-to-read charts of specifications, clearances, carburetor settings and data for valve and ignition timing. Also **detailed repair procedures for overhauling top end, crankcase, gearbox, clutch, forks, wheels, etc.**

668 pages, more than 500 charts, photographs, data tables, wiring diagrams and assembly drawings.

This **wonderful reference book** for mechanics, owners and enthusiasts has recently been revised by J. B. Nicholson — one of the world's best motorcycle authorities. **$6.50**

MOTORCYCLE ENGINEERING
by P. E. Irving

This new book has over 320 pages of text, including a useful bibliography and detailed cross index. There are 179 drawings and photographs with several tables pertaining to almost any motorcycle engineering project, along with design data. The author, Phil Irving, has had a long and distinguished association with the British motorcycle industry, and has been responsible for the design and production of such famous machines as the Vincent "Black Lightning" and the "Black Shadow". This is an essential textbook for the young mechanic, engineer, enthusiast or collector, and it is a valuable reference book for the experienced designer. It is without a doubt the finest book we have ever offered for motorcyclists. .....**Postpaid $5.00**

SOUPING TWO-STROKE ENGINES

This booklet includes all five articles that appeared in Clymer's CYCLE Magazine about tuning two-stroke engines for more speed and power. While this book deals with motorcycle engines, it also applies to two-stroke engines used in all makes of cars, inasmuch as the basic design and fundamentals of most two-stroke engines are the same. A booklet every two-stroke owner and enthusiast will want.
